THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

The FEI insures all FEI Officials, whose names are published in the FEI Officials lists, against third party liability including Judges, Course Designers, Technical Delegates, FEI Stewards, FEI Veterinary Delegates, Para Classifiers, Members of the Judges' Supervisory Panel and FEI Coaches (FEI EADCMP Veterinarians are covered under a different policy):

- Who have received the status of FEI Officials at FEI Events through a qualification process.

The FEI will NOT insure:

- National officials officiating at FEI Events; and/or

- FEI Officials, who have no official function at the Event.

The insurance extended is for any liability that the FEI Official incurs to a third party, and for the costs of defending any such claim arising as a result of actions undertaken by the FEI Official in good faith (including errors and omissions) on behalf of the FEI. However, the insurance for obvious reasons does not extend to any liabilities incurred as a result of an FEI Official's dishonest, fraudulent, malicious, and/or illegal act.

Should an FEI Official become aware of an incident that he or she believes might result in a claim, that FEI Official should notify the FEI immediately and provide all of the facts known to the FEI Official. The FEI cannot guarantee the insurance coverage described above in circumstances where the FEI Official has good cause to believe that there might be a claim and does not provide such timely notice directly to the FEI.

FEI Permitted Treating Veterinarians (PTVs) (Art 1005) are to have adequate professional indemnity insurance.
